### INSTRUCTIONS FOR OBTAINING REQUIRED CLEARANCES:

#### FBI FEDERAL CRIMINAL HISTORY CLEARANCE:

The fingerprint-based background check is a multiple-step process, as follows:

**Registration** - The applicant must register prior to going to the fingerprint site. Pre-enrollment can be **completed online or over the phone.** The registration website is available online 24 hours/day, seven days per week at <https://uenroll.identogo.com>. Telephonic registration is available at 1-844-321-2101 Monday through Friday, 8am to 6pm EST. During the pre-enrollment process, all demographic data for the applicant is collected (name, address, etc.) along with notices about identification requirements and other important information.

When registering on-line, an applicant must use the appropriate agency specific Service Code to ensure they are processed for the correct agency and/or applicant type. Using the correct service code ensures the background check is submitted for the correct purpose. The service code for public school employment is **1KG6XN.**

Fingerprint requests processed through any other agency or purpose cannot be accepted and are not transferrable. If an applicant enters the wrong code by mistake, the incorrect applicant type will appear at the top of the screen. The applicant should select the "Back to Home" button and begin the process again, by reentering the correct Service Code. If the applicant proceeds with the process under the incorrect code, the pre-enrollment and/or results cannot be transferred to another state agency and the applicant will have to start the process over and pay for the background check again.

**Payment** - The applicant will pay a fee of \$22.60 for the fingerprint service and to secure an unofficial copy of the Criminal History Record. Major Credit Cards as well as Money orders or

cashier's checks payable to **MorphoTrust** will be accepted on site for those applicants who are required to pay individually. No cash transactions or personal checks are allowed.

**Fingerprint Locations** – After registration, the applicant proceeds to the fingerprint site of their choice for fingerprinting. The location of the fingerprint sites and days and hours of operation for each site are posted on IDEMIA's website at <https://uenroll.identogo.com>. The location of fingerprint sites may change over time; applicants are encouraged to confirm the site location nearest to their location.

**Fingerprinting** - At the fingerprint site, fingerprint transaction begins with a review of the applicant's qualified State or Federal photo ID before processing the applicant's transaction. A list of approved ID types may be found on the IDEMIA website at <https://uenroll.identogo.com>. Applicants will not be processed if they cannot produce an acceptable photo ID. After the identity of the applicant has been established, all ten fingers are scanned to complete the process. The entire fingerprint capture process should take no more than three to five minutes.

**Report Access** – For the public schools to access the official report via the electronic system, applicants must provide their **UEID** to the hiring entity (as shown on the receipt provided after fingerprint capture). Applicants will receive an unofficial copy of their report for their records.
